

TRANSFORMATION SERVICES FOR ORGANIZATION EFFECTIVENESS

STRATEGIC ALIGNMENT - ORGANIZATION DESIGN - LEADERSHIP - CULTURE CHANGE - CAPABILITY BUILDING

DELIVERING RESULTS THROUGH NEW WAYS OF WORKING

ORGANIZATION EFFECTIVENESS SOLUTIONS

Organizations are facing historic challenges: generating growth and enabling innovation, pressure to reduce costs, competitive talent landscape, and an exhausted workforce. Survival will be shaped by a clear view of new realities and a strong ability to adapt and evolve.

Is your organization experiencing changes in the competitive landscape?

Need effective leaders to inspire and motivate teams?

Concerned about how to scale to enable the expected level of growth?

Are internal silos getting in the way of collaboration and customer focus?

Is your organization effectively designed to execute future strategies?

AVAAP ORGANIZATION EFFECTIVENESS SOLUTIONS DELIVER:

FORESIGHT

See around corners in advance of planned transformations to proactively identify and avoid costly pitfalls throughout implementation.

PEOPLE PRACTICES

Cohesively align organizational policies, processes, and people practices that matter most to your organization.

HUMAN RESOURCE COACHING

Build internal HR capability and capacity to engage leaders and deliver organization effectiveness solutions.

MAXIMIZE LEADERSHIP IMPACT

The OES Leadership Alignment process will assess, educate, and coach your leaders into effective sponsors of organizational culture, change, and effectiveness.

ORGANIZATION DESIGN

Our experts will partner with your organization to co-create and/or implement a new way of working, tailored to your culture, context, and business landscape.

BENEFITS

- ✓ Initiate and develop design principles to guide decision-making
- ✓ Solve organizational problems at the source to drive to key initiatives
- ✓ Build resilience despite complex and volatile environments
- ✓ Respond to market conditions with agility
- ✓ Co-create a culture that authentically tells your organization's story
- ✓ Enable entire organization to understand your customer

Avaap's certified consultants bring deep industry experience, helping engage and energize teams by identifying a better way for them to do their best work. Our research-based approach is agile, iterative, and systemic so your organization is resilient and responsive to ever-changing market or industry conditions. We tailor solutions to your organization's context and culture, addressing challenges and opportunities within your organization to make your organization more effective.
