

BECOMING A TRUSTED CHANGE SPONSOR

Designed for sponsors of change including key executives, business leads, and organization influencers. This engaging instructor-led workshop leads participants on a journey to explore their role as a change sponsor, helping them understand how to be most effective in the role and to learn how providing visible leadership is required for successful change.

Throughout the workshop, participants will be encouraged to share ideas with each other during active discussions and will develop a personal change sponsor roadmap to put learning into action when they return to work.

LEARNING OBJECTIVES

- ✓ Review the value of change management
- ✓ Explore how change impacts you and others
- ✓ Understand your role as a change sponsor
- ✓ Develop a customized change sponsor roadmap

“The facilitators used the time well to get us engaged with each other, thinking about our specific sponsor opportunities, and providing a lot of digestible content in a short amount of time. This will make me much more effective in collaborating with my colleagues.”

Brenda Rouser

Director, Enterprise Transformation, EPMO, Amentum

“The workshop was well organized and fast paced. The facilitators shared great insights throughout the program. I could immediately use the content and insights from this program.”

Tamara Freeman

Interim Associate Vice President, HR, UGA
